S. DISTRICT COURT
EASTERN DIST. TENN.

DEPT. CLERK

Regina Driskill,
Plaintiff,

v.

Regions Bank
Defendant.

Civil Action Number 3:18-cv-102
District Judge J. Ronnie Greer
Magistrate Judge Debra C. Poplin

Medical Reporting from Plaintiff to the Court
and request for explanation of why Oct 20th deposition
was not given by defendant, Region's Bank

Plaintiff, Regina Driskill comes this 29th day of November 2020 to Present a Statement to let the Court know that Plaintiff is under medical care at this time. Plaintiff ask understanding by the courts to be aware that due to medical situation of Plaintiff there may be lots of grammar misspellings and to make sure that the court realizes that Plaintiff was totally "blindsided" by the lesion of Plaintiff's previous attorney. There was absolutely no warning that previous attorney, Kathryn Young was going to leave the case. Due to Plaintiff's medical condition there is going to be a lot of difficulty to try to continue. This case show Plaintiff, Regina Driskill was not given a choice but was told that Attorney Kathryn Young would not under no circumstances help to continue on in this case. Plaintiff, Regina wants

to let the courts know that Plaintiff is going to plan to go forward with this case alone. Plaintiff wants the courts to know that due to the worsening of Plaintiff's disability it will effect some of the concentration and but Plaintiff has to try to the best of Plaintiff's ability to proceed alone because she has no other choice but to try to defend the unfair treatment that she has experienced by the defendant, Regions Bank. Plaintiff ask for court to be very considerate that she has no representation as of "no fault" of her own and never ask for to be left alone trying to prosecute a case so serious during a time of illness. Plaintiff Reginal Driskill has severe low oxygen which affects the total complete operation of Plaintiff's everyday daily living. There will also be possibly some information that Plaintiff was asked to present or respond to that may be ^{given} more information that defendant's has requested. Plaintiff prays that The Court will again take into consideration that due to disability "worsening" Plaintiff will not be functioning with full concentration. Plaintiff, has tried to find replaced counsel but is not well and must and is forced to move forward alone to try to answer and respond to defendant's Summary judgement. Defendant, Regions Bank or Previous Attorney that you have told Plaintiff

Regina Driskill she would be doing a "Deposition" before October 20, 2020. Plaintiff, Regina Driskill waited to hear from defendant Regions Bank to schedule the deposition that defendant claims in the "Second Motion to Enlarge Discovery Deadline" was asking on different occasions to please be given the opportunity to do a deposition. Plaintiff Regina Driskill has never been contacted by defendant Regions Bank at any time past or present to come to a Scheduled (Time or date) sent by mail, to Plaintiff to sit for a deposition. But instead Plaintiff, Regina Driskill has been once again "Blind-sided" with a "Summary Judgement" as quickly as the date of October 20, 2020 came and went. There was no notification from The Court sent to Plaintiff, Regina Driskill or from defendant, Regions Bank. Plaintiff wants to know if there was supposed to be an ^{issued} Order to do a deposition and why was this not followed through by defendant Regions Bank? Again, Plaintiff Regina Driskill asks the court for explanation so that Plaintiff is aware of what has happened. Since Plaintiff has no representation Plaintiff must Ask The Court if something is not understood by Plaintiff. (See Attachment Sept 29, 2020, letter. (Also Attachments date 9/1/2020) and letter dated

I, Regina Driskill, have considered all my options in this matter and I have decided to decline settlement as offered to me by Regions Bank, which is:

\$ 37,500 Cash purchase of the house

or a 30 year mortgage @ 5.5% for a total of \$ 45,000 purchase price.

I understand my attorney, Katherine A. Young, has advised me to take the mortgage and has waived her attorney fees. I agree she can voluntarily withdraw from my representation.

I have instructed my attorney to request an extension to consider the \$ 37,500 cash offer as I may be able to get assistance with this option.
